## A Message From Our Administrator Christie Hallett

I hope everyone had an enjoyable and safe holiday.

At this time of the year, we tend to reflect back on the previous year, and look forward to the upcoming year. The Peel Children's Safety Village was very fortunate in 2007, our gifts came in many forms: New and continued partnerships, our volunteers, our Police Service, in-kind donations, support from our community, friendships and financial donations, and our volunteer Board of Directors.

The greatest gift we receive is to know that we made a difference in the life of a child. This year over 17,000 children visited the Village. Our hopes are that we made an impact on the children and their views on safety issues that affect their everyday lives today and in the future.

I want to sincerely thank everyone for their contributions and support they have shown us here at the Safety Village, and I look forward to another successful year in 2008.

Sincerely,  
Christie Hallett, Administrator
